The following is an examiner's statement of reasons for allowance:

Claims 1 and 9 are allowable for the reasons identified by applicant in his remarks submitted on July 9, 2004 found in the paragraph bridging pages 7 and 8 and the first complete paragraph on page 8, which tie the reasons for allowance of claim 1 to those identified in the Office action mailed April 6, 2004 in the paragraph bridging pages 4 and 5 that describe the allowable subject matter for claim 9;

Claim 6 is allowable for the reasons identified by applicant in his remarks submitted on July 9, 2004 found on page 7, lines 3-8 because there is no basis to modify the device of Tate (US 3924307) so that the flexible arcuate spring 9 would include a hinge between its first and second ends so as to be rotatable about an axis parallel to the base surface 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
